Forecast for Friday 22 Oct 2021

Weather: Clear spells and only a few isolated showers overnight, these largely confined to western and northern ranges. Many in south and east staying dry through the day, and seeing the best of the bright and sunny spells. However, there will be some showers throughout the day, these mainly confined to north and west facing peaks. Any showers should gradually ease during the evening.

Chance of cloud free mountain/hill tops above 600m: 100% chance.

Visibility: Good or very good, becoming moderate or poor in showers, very poor in hill fog, with bases lowering 500-800m at times, chiefly in and around showers.
